SUBJECT: Deputy Assistant Secretary Nosenzo's Comments on  
IIM: "Foreign Reactions to US Non Proliferation  
Policy"

Lou Nosenzo called me Friday to express his satisfaction with the subject IIM. He was quite effusive in his praise, stating that it was the best thing he had seen on the subject. He felt that it would provide excellent intelligence input to policy decisions that will have to soon be made on nuclear proliferation. I have passed these comments on to [REDACTED] the principal drafter of the IIM.
